

Music Makers Academy Diary FEBRUARY 2019

• EXAMS

We have not had sufficient applications to qualify for an external LCM examiner to visit and so we will postpone until the summer.

The closing date will be 1st May with 6th July being the requested date for the exams.

Please let your tutor know if you would like to stay on the applications listing. If you have paid by cheque it will be returned to you, BACS payments will be refunded if you could let Dinah know your bank details please. You will need to resubmit your fees in April.

• HOLIDAYS AND BANK HOLIDAYS

Please ensure your tutor knows if you plan to be away over Easter and make sure catch up lessons are arranged. Catch up lessons for January can still be arranged with Dinah.

• CAROUSEL CONCERTS

Well done to all those getting ready for this years Carousel Concerts! Keep up the great work, you are going to be brilliant!!

Rehearsal times for the 9th February will be posted on Facebook during this weekend (2nd/3rd February). Please stay in touch with your tutor to know what times you will be needed at the Blakehay Theatre on the 9th.

Tickets are available. Don't forget performers tickets are required and available at a reduced price from the box office.

Dress code is smart.

• PARKING

Please do not park in front of the golf trolley shop as they can get very upset, Worle Autos own the far side parking spaces opposite the Panel Shop and they would be grateful if we didn't use those spaces.

Please use other areas for parking and walk around to pick up and drop off, as the evenings get darker so the risks increase outside. Please do not stop and wait in your car with it running outside the Academy to pick up, this causes congestion and the area can become dangerous.

Thank you for your co-operation

New standing order payments-Please email music-makers@hotmail.co.uk for account details
