

Music Makers Academy Diary March 2020

• CONGRATULATIONS!

The Carousel Concerts were a resounding success!! Thank you to everyone who took part and well done! Your performances were outstanding, we have had some great feedback and thank you for the messages of appreciation and encouragement. It was a great day for sure.

If you have any end of show photos you can share, we would love to see them. Please share them on Facebook or send to us using music-makers@hotmail.co.uk

Relive those great moments!

Please order your DVD of the shows by emailing music-makers@hotmail.co.uk
Or texting 07989247398

You can also order your copy in reception. Enjoy!

• COUGHS and COLDS

There is now a general shortage of hand gel/sanitizer and our suppliers of larger units for reception are unable to help us.

Please bring your own hand sanitizing gel or wipes or similar when you come into the Academy. Many thanks.

• Examination application forms will be available in reception from mid-March

• HOLIDAY DATES

Please notify your tutor well in advance if you are taking holiday time. Cancelled lessons require 24hrs notice to gain a catch-up lesson.

• **HOODIES** are available for purchase. Student colours are Yellow Orange and Grey. Please order from your tutor the details are in reception.

• PAYING FEES BY CASH

Please ensure that you put the **correct amount** of cash in your envelope and write student name, tutor name, date of lesson and amount given in the envelope.

If you require change this takes time and will need to be dealt with in your lesson time.

Tutors will not issue change at the end of their lesson as this will delay their next student.

• PARKING

Please do not park in front of the golf trolley shop as they can get very upset, Worle Autos own the far side parking spaces opposite the Panel Shop and they would be grateful if we didn't use those spaces.

Please use other areas for parking and walk around to pick up and drop off. Please do not stop and wait in your car with it running outside the Academy to pick up, this causes congestion and the area can become dangerous.

Thank you for your co-operation
